

August 13th, 14th & 15th, 2010

Summer is in on its way and the Minong Summer Days Committee is in full swing! Though out the winter and spring, the committee has been planning another fun-filled community celebration scheduled for August 13th, 14th and 15th.

Once again, we are calling on the community to support this event with cash donations. Every little bit counts and every cent goes to the entertainment and attractions that you see year after year.

That is why your support is so very important. This event would not be possible without the generosity of our great community.
